# Most essential apps for every Linux user | 2020

By *Roy Schestowitz*

Created *12/12/2019 - 12:48pm*

Submitted by Roy Schestowitz on Thursday 12th of December 2019 12:48:33 PM Filed under [GNU](#) [1] [Linux](#) [2] [Software](#) [3]

When you first install a Linux distro or do a fresh install on a system, you need to install the essential apps for regular use. That is why I have prepared a quick guide list of the essential apps for every Linux user. So that you can check and go through the installation easily and get the needed apps for your better use and workflow.
