This is with a bit of sadness that I announce you my departure from Mandriva next Friday, February, 16th.

I have been release manager for more than 7 years for 14 consumer products from Linux-Mandrake 7.0 to Mandriva Linux 2007 and 4 corporate ones, plus tens of other minor versions. I will keep a bit of Mandriva in me, and, I hope, Mandriva will keep a bit of me.

But it is now time for me to move on.
