Akademy 2020 is getting closer and the KDE Community is warming up for its biggest yearly event. If you are working on topics relevant to KDE, this is your chance to present your work and ideas to the community at large.

Akademy 2020 will take place online from Friday the 4th to Friday the 11th of September 2020. Training sessions will be held on Friday the 4th of September and the talks will be held on Saturday the 5th and Sunday the 6th of September. The rest of the week (Monday - Friday) will be Birds-of-a-Feather meetings (BoFs), unconference sessions and workshops.

If you think you have something interesting to present, tell us about it. If you know of someone else who should present, encourage them to do so too.
