[1]While perusing my [favorite thread](#) [2] of my [favorite site](#) [3] I saw [this setup](#) [1]. The appropriate witty response failed me as I first thought "You need to get to work son" or "quit wasting time" or perhaps "you should take up computing"... my mind raced around as all I could utter was "holy cow".

Anyway, I thought it was interesting enough to folks that don't visit the [gentoo forums](#) [3] to list here.

The owner's, baeksu, [description](#) [4].
