Open source software seems to be becoming a buzz word and increasingly more trendy with mainstream companies.

The DesMoinesRegister.com is running an introduction to open source, as if anyone who visits my site will need it. However it's a nice little [read](#) [2]. In addition, LinuxElectrons has a nice [article](#) [3] on some of the things companies should consider when making the move to oss.

UPDATE: [Here's](#) [4] a similar article on the LinuxInsider featuring quotes from Joe Cooper, CEO of Digital Defense.
