Since [the Holy Father] posted his address more than 20,000 emails have shown up in his in tray between March 1 to March 3. The INQ inbox had about the same number of emails during the same people, but they were trying to sell us stuff.

Letters in English, French, Spanish, Italian, Portuguese, and German have been arriving daily for the Holy Father, wishing him well, a speedy recovery and a prompt return to his ministry as Pope and Bishop of Rome.
