GroundWork Open Source is sponsoring a competition amongst four popular open source mascots: ?Tux? the Linux kernel penguin, ?Beastie? the BSD daemon, Mozilla?s Firefox, and ?The Gnu? GNU.

The purpose of the competition is to drum up excitement around famous, non-commercial open source icons and to determine which is the favorite in the minds of today?s most dedicated open source fans.

The competition will begin at 7:00 AM EDT on Tuesday, August 5 and will end at 11:59 PM PDT on Thursday, August 7.
