Well, just as I posted the "[all is well](#) [2]" blog entry, we suffered a power outage here.

It was quite dramatic with the torrential rains, high winds, and what sounded like an 18-wheeler wreck, pole downage, and transformer explosion.

Anyway with it being the holidays, they took their sweet time getting to the problem.

So, again, my apologizes, and *now* hopefully everything can settle down and get back to normal.
