Please help Tuxmachines welcome our newest sponsor, [Inventio Consulting](#) [2], IT Training Specialists. Inventio Consulting is a reseller/broker for many of the leading training companies throughout the UK. Their goal is to find the most suitable course to suit your individual needs from the course offerings of all of our partners and to offer savings for these pairings in some cases.

Many courses offered through the Inventio Consulting site include open source and well-respected, high-demand business applications. Some include:

- AS/400
- BEA
- CheckPoint
- Cisco
- eTrust
- HP-UX
- **Linux** - Generic, SUSE, Red Hat
- Macromedia
- Microsoft Office and Technical
- MySQL
- Oracle
- Solaris
- UNIX
- Business Systems Development
- Programming and Development Languages
- Many more

If you would like to take your first course on the road to a wonderful new career or beef up your current resume, please so yourself a favor and visit [Inventio Consulting](#) [2] first.
