If you are (or were) an Ubuntu user and haven't voted in our latest poll, I ask that you please consider [doing so now](#) [2].

Like so many times in the past, I wish to use the results in some of my other work and would like to have as many votes as possible. Right now I just have 420 votes. It would be nice if there were at least 500. My deadline is Thursday, so hopefully we can reach that magic number by then with your help.

Thanks so much!
