Oil Rush is a real time naval strategy game with stunning graphics and gameplay. This is one game that kept all of us waiting. We had listed Oil Rush right at the top of 12 best paid games for Linux. Now, Oil Rush is available for installation via Ubuntu Software Center. Note that you can only pre-order the game right now, but you also get access to beta version of Oil Rush.

Oil Rush RTS Game for Linux

Ungine is generally a Linux-friendly company and Oil Rush is their latest creation. Here is a short description of the game by the developers themselves.
