I had the opportunity yesterday to visit CTL Corp located in Portland, Oregon and sit down with Erik Stromquist, Executive VP and COO and Michael Tupper, Director of Business Development.

The purpose of the visit was to get a highlight of CTL Corp's new Ubuntu Product initiative - and I was beyond excited.

Erik Stromquist showed me their new MB40U Ubuntu Notebook which comes in a glossy black finish and is powered by Intel's Core-i 2nd Generation Processors and comes built with the specific specs you require.
