In a short post today Jean-Manuel Croset said that recent events have lead the failing company to postpone any final decisions for a week. Earlier this month a letter to shareholders stated that Mandriva would have to close its doors by January 16 without an influx of capital.

January 16 came and went without word while anxious users paced the floors over at the Mandriva Forums. Then earlier today Croset published his post. Unfortunately, it's a little short on detail.
