# Steam's hardware survey now shows many distros

By *srlinuxx*

Created 17/03/2013 - 7:32pm

Submitted by srlinuxx on Sunday 17th of March 2013 07:32:14 PM Filed under [Linux](#) [1] [Gaming](#) [2]

So the Steam Hardware Survey got updated again, this time they are now including lots of Linux distro's so we can see just how popular they are!

It's good to see see them do it, but we really need a Linux only category like they have for Mac.

It basically looks like they have expanded their full results and taken some out of the "Other" category.
