Today is the 3dr anniversary of this blog. Three years already? Time surely flies by!

Through this blog, I met people who inspired me with their tales of courage, knowledge, talents, and efforts. And it was painful when some of them passed away (R.I.P. Eugeni Dodonov, Mandriva) or got sick (Texstar, PCLinuxOS).

Linux interest, despite FUD, is on the rise. You can take a look at the numbers.
