- [eBook Reader and Editor Calibre 1.39 Brings More Kindle Optimizations](#) [2]

Calibre, a software used for reading, managing, and converting eBooks, has been updated to version 1.39 and brings a few new features, including one for Kindle devices.

Calibre is mainly used for eBook conversion and as an eBook reader, but the application is capable of doing much more. Lately, the developer has been focusing on the editing part of the software and it shows in the release notes.
