THIS COMING WEEK, starting Tuesday in particular, will be a lot less busy than usual because Rianne and I are flying away and will be absent for a couple of weeks. Depending on availability of Wi-Fi, we ought to be able to *still* post some links, just not the usual volume of links.

We kindly ask anyone who is interested and willing to submit links highlighting relevant news, as every registered user can do that. It will greatly help us run the site while we are very far away in east Asia. [?](#)
