Aye, 'tis plain sailin' fer 2007 an' no mistake. Cap'n 'Fearsome' Barth an' his horde o' hard-drinkin', wench-baitin' below decks swabbers 'ave removed the last o' th' mice, rats, termites &c from their stations chewing at the timbers o' th' good ship Mandriva, an' we be ready to send 'er out to the cruel ocean waves right soon like. Arrrrr.

(in case any of you are confused at this point, it is indeed International Talk Like A Pirate Day).
